

EDUCATION WEEKLY

MBSSE PROMOTES GENDER EQUALITY ON INTERNATIONAL WOMEN'S DAY

TUESDAY - MARCH 9
EDUCATION RADIO BACK ON
 Education Radio FM 95.3 resumed broadcast in March 2020 after being off the air for more than three months. Initial programming will cover public awareness about the Coronavirus and lessons for all learners and teachers.

WEDNESDAY - MARCH 11
NATIONAL WORKSHOP ON DISASTER RISK REDUCTION

Amidst increasing spread of Coronavirus, MBSSE's Policy & Planning Directorate organized a national workshop on Disaster Risk Reduction. Other partners included MoHS, UNICEF, & ONS and all Deputy District Directors of Education

WEDNESDAY - MARCH 11
ECD UNIT TRAINS ON THE USE OF ECD MATERIALS

The Comms. Unit conducted impact assessment on how Early Childhood Development (ECD) materials are used in schools in Kambia, Port Loko, Bombali & Tonkolili districts. Summary video shared on MBSSE social media channels.

CORONAVIRUS (COVID-19) GUIDELINES TO SCHOOLS

MBSSE ISSUES COVID-19 GUIDELINES

Taking a proactive measure to keep schools safe for learning, particularly should the Coronavirus disease spread in Sierra Leone, the MBSSE issued guidelines to schools nationwide and reactivated the School Safety Protocol.

MBSSE DISTRIBUTES GAMES & SPORTING MATERIALS

The MBSSE in collaboration with Local Councils is distributing games and sporting materials to primary and secondary schools that are either government or government-assisted across the country. Included in the distribution package are footballs, basketballs, basketball rims and nets, volleyball and nets, inflators, and handballs. MBSSE urges the Physical & Health Education Teachers in collaboration with heads of schools to ensure that the games and sporting materials are judiciously used in promoting sports education for the children in school across the country.

EUROPEAN UNION DONATES TO MBSSE

VEHICLES, OFFICE MATERIALS & EQUIPMENT AND MORE...

The MBSSE-EU partnership remains strong. Twelve brand new vehicles and eighteen motorbikes have been donated to the Ministry of Basic and Senior Secondary Education. The EU also supported MBSSE to bring back the Education radio on air after being off air for almost three months. Furthermore, the Teaching Service Commission District Officials in Kenema district were rehabilitated and opened this week thanks to the EU partnership.

INTERNATIONAL WOMEN'S DAY AT MBSSE

SUNDAY, MARCH 8, 2020

Sunday 8th March 2020 was International Women's Day. The World all over celebrated the social, economic, cultural and political achievements of women. The day also marked a call to action for accelerating gender parity. Sierra Leone joined many other countries around the globe to address gender equity in giving our women the empowerment they deserve to lead and succeed. The Minister of Basic and Senior Secondary Education joined His Excellency President Julius Maada Bio, the Minister of Gender and Children's Affairs and other leaders to celebrate the day in Kambia, Sierra Leone.
